

### Technical Information

The Delkor 31T-825AGM is a premium quality Absorbent Glass Mat battery designed for both starting and cycling applications. Delkor AGM batteries are designed to deliver dependable power in the toughest conditions, supporting high electrical demands with optimal cycling performance and reliability. This battery will handle the heavy vibration associated with commercial vehicle applications, delivering dependable power and an extended service life.

### Features & Benefits

- OE proven technology
- High charge acceptance delivers fast recharge
- Certified non-spillable VRLA design
- Up to 2x the service life of equivalent flooded battery
- Thick AGM separators
- Patented PowerFrame® stamped grids
- Reinforced case

Applications
Commercial
Industrial
Marine

### Technical Specifications

<b>Battery Type</b>	Absorbent Glass Mat	<b>Case Material / Colour</b>	Polypropylene / Grey
<b>Voltage</b>	12V	<b>Lid Type / Colour</b>	VRLA / Grey
<b>Capacity (20Hr)</b>	100Ah	<b>Plate Type</b>	PowerFrame® Positive & Negative Grids
<b>CCA (-18°C, SAE)</b>	825CCA	<b>Separator Type</b>	Absorbent Glass Mat
<b>Reserve Capacity (25A, SAE)</b>	200 minutes	<b>Assembly Layout</b>	Centre Posts
		<b>Terminal Type</b>	Threaded Stud
<b>Overall Size (LxWxH)</b>	330 x 172 x 223mm	<b>Case Size</b>	BCI Grp. 31
<b>Nominal Weight</b>	30.5kg	<b>Ledges</b>	None
