EF2400iS

2.4KVA INVERTER GENERATOR

The EF2400iS has that little extra grunt, but is still light and as quiet as ever. This generator is our best seller for caravans and motor homes. This unit is the lightest in its class and has two handles for easy lifting so you don't have to break your back! Not only that, it's also currently the most compact unit in its class on the market so it'll fit in most caravan storage boxes.

Plus, connect two EF2400iS inverters for a massive 3800 watts of maximum power!
