

| SPECIFICATIONS             |                        | EF1000iS |
|----------------------------|------------------------|----------|
| Type                       | Inverter               |          |
| Rated Voltage              | 230V                   |          |
| Frequency                  | 50Hz                   |          |
| Rated Output               | 900 Watts              |          |
| Max Output                 | 1000 Watts             |          |
| DC Output                  | 12V / 8Amps            |          |
| Engine Type                | OHV MZ50 Air Cooled    |          |
| Displacement               | 50cc                   |          |
| Max Output                 | 1.6kW (2.2hp) @4000rpm |          |
| Starting System            | Recoil                 |          |
| LxWxH (mm)                 | 450x240x380            |          |
| Dry Weight                 | 12.7kg                 |          |
| Fuel Tank Capacity         | 2.5L                   |          |
| Operating Hours (1/4 Load) | 12hr (Eco On)          |          |
| Noise Level (1/4 Load)     | 47dBA (7m)             |          |
| Noise Level (Full Load)    | 57dBA (7m)             |          |
| Brushless Alternator       | •                      |          |
| Auto Decompressor          | •                      |          |
| Electric Starter           |                        |          |
| Circuit Breaker            | Electronic             |          |
| Fuel Level Gauge           |                        |          |
| Oil Level Warning          | •                      |          |
| Voltage Meter              |                        |          |
| Pilot Lamp                 | •                      |          |
| Noise Block™               | •                      |          |
| Economy Idle Control       | •                      |          |
| Twin Tech™ (Parallel Use)  |                        |          |
| Transportation Kit         |                        |          |
| Remote Starter Kit         |                        |          |
| AC Plug                    | •                      |          |
| DC Charging Cord           | •                      |          |

## EF1000iS

### 1KVA INVERTER GENERATOR

The EF1000iS is the lightest generator in its class at only 12.7kg and will run continuously for up to 12 hours without refuelling (at 1/4 load with Economy mode activated).

This small but hardworking unit is perfect for camping, fishing, boating, the caravan and camper trailer, and will run all your sensitive electronic equipment and accessories.

#### KEY FEATURES

- Economy throttle
- Low Oil Warning and Shut Down
- Electric Circuit Breaker
- 4-Stroke OHV Engine
- Oil Warning System
- Auto Decompressor
- Independent Fuel Tap
- Brushless Alternator
- Battery Charging Leads Included
- Spark Arrestor
- Noise Block™
